Jely 29th, 1856 In the estimates to supply deficiences for the service of the fee cal year ending from 30. 1856, which I had the hour to receive with your Communication of the 19th inst there is an item of \$90.25 to comprisate U. S. Dest Cent Clerk of Conn. Dry. Objections having been made to the allowaum in Com, of the Whole I desire to be informed in reference to it. For what purpose and for whom were the copies of copyrights made. July Muly . Thun stampling Non W. S. Marcy Becutay & State harh flow

Rew 24. March + tuck of NEW York ich 19the 1856 Washr. Much 19. 1836 I have just received the communication Enclosed recommendation henville frage austran Canklin Click of the Dist court lb, I address you for the northern District of W.Y. I do not exactly subject of copy les the supervision addrefing it to me wor in I stake, and the desiring it whenhe, and the I do not doubt in looking named, to be called into it however, you may disemblabuse of the some abuse, which your action for that subject Can Conest, with that willef made he me been, I hausmit it as her. noglithlaw, labels Conhein arquests with the and mux heres, Sanction of hy name, fit red, or semile so them; and after to Fouriersly repeated after. and sometimes a good dea per is manufeshed, and abuse is

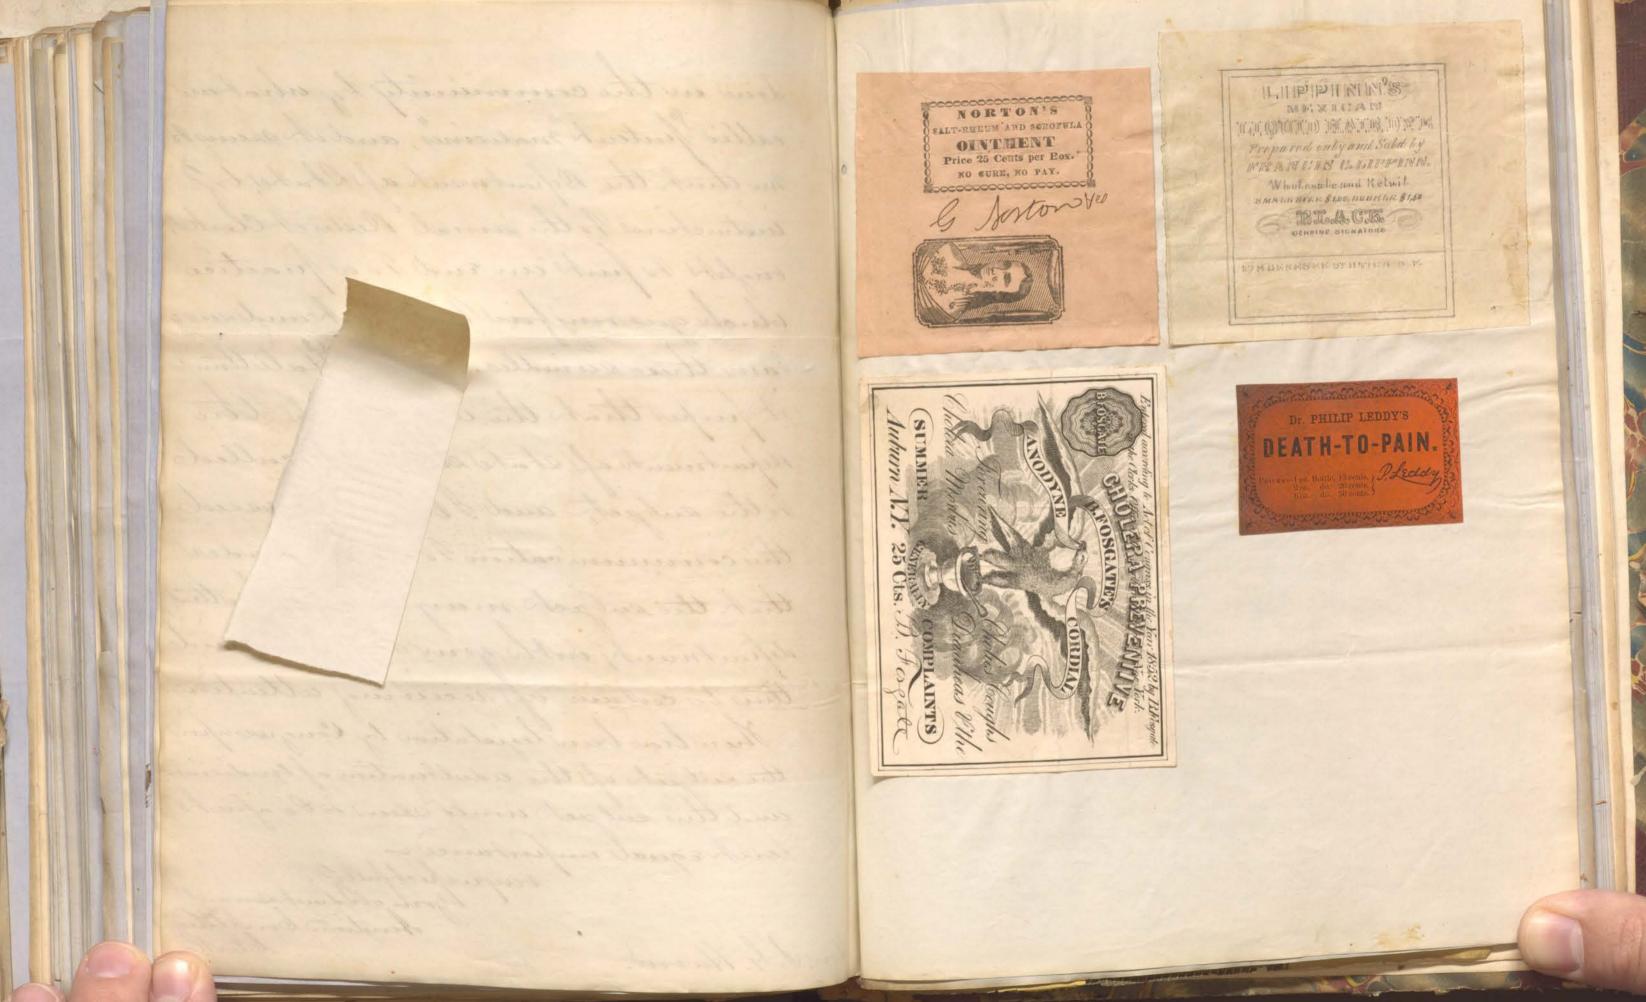

Northern Dietrick of New York Buffalo minch 14th 1856 Dear Sui, Presenant to a recommendation of his Honor fudge Hall, I address you this communication. The subject of copy His viers ten no pter ughto seems to be under the supervision afthe Department of State, and the attention of that defeatment, ought, it seems Is me, in some manner, to be called to what I deem, a qual abuse of the provisions of the law years that subjects Applications and frequently made to me to record under the copy right low, labels of medicines, compounds and mustenes, such as these herewith undered, or similar so them; and ofher the applications are tennerously repeated after my refusal, and sometimes a good deal of ill tem. per is manifested, and abuse is bestowed

whow me, because, asch said such records are made in all the other Districts." Aslong ago as from 1848, I eras applied Do, by a party, for my reasons, for such a refusal; and the following Extract from my reply, then made, contains the reas sous then given, and which Thave ever since decened sufficient I have examined with considerable circl, of the simulated winds the surprise the ach of Congress above mentioned, and I will state some of my reasons views whom the from which you will infer that I do not think Jurper to record a label under that ach. My ofinion is that the "map" more in soil and and measure personnel ghe with chart, musical composition, "frint" "cut" or "engearing, much have a value as such, Applications are proportioned to see and be intended for sale as such; that income, among age colombappy from person whichever A may be, "frint" "cut or Engrave. = eng" it much have a title applicable to theff estricto tillo es tobe recorded. I am also of the afenior that rethering and of him the applications the ach of Congress was designed to promobe the acquisition and diffusion of knowledge,

and to sucomage the funduction and " his all the oblish districts." publication of morks of arts the general Junpose being, to advance the people in civilization and refinement. Ithruito furthermon, that by the achto erlich Thave referred, Congress did not intend to prevent the unitation Theresis from your comes af the stamps and labels af any moun factured article, or goods, or merchandige. That is a subject of such Entensise enterest and infertunce, that if it head been the intention of Congress to Embrace New the provisions of the law that intention would hard been distinctly and unequivally manifeshed. It is not likely however, that such a ferovision by congress, will ever be found so much out of felace as it would be in "anach and be unlasted for some as and is there in to amend the several acto respecting copy rights". Furthermore four gribe certain that Congress did not intend that this ach should be so prostituted

as he be made instrumental, in deluding the ignorant, and inconsiderate, into the fines chase and use afthe various nostrums, catholicous and franceas, which and contiguition course refinement. much worse then useless to the commes otherwise for Municipal, thento before = ruhy! The exclusero right to make and nop interest by proment the court where rend any valuable compound, or mis = two, may be secured by a compliance parties of article or grande or new chandings entho the Jewision of the Jeakent land, and in case the compound has real time the intention of Compace to Empires value, A will in time, become public propo were the firmmen of the land then = esty. Inh by the abuse of which I com: dellections would be not been distinctly = Jelan, a kind of fectitions respectability is given to any sort of sile my here, and of (which is not likely honever) a mixture of company, will were be found as much of real value is covered by one of these miscalled patento, there is no means of finally mak: they Emperilen ago o guinosa app your mines - ing femblie, the knowledge of its mode up Justination. No entelligent mon can Colour that Cinques dis who intend doubt that a ruch deal of home of that the asked about the he property

done in the community by what are called featent medicines, and it seems to me that the Department af State, by instructions to the several District Clerks, oughts to furt our End to a functice much inner there weeken to the comme which goes renfford to perfect and sus: - Fair these swindles. Judge Hallthinks Aproper that the attention of the and any sulmolds compround, or mis Department of state should be called Attro subject, and I have addressed and con case this comprised him and this communication by you, in order that the subject many come beforethet and the prifter agrees afterfreel grown defeatment, inthe your sanchine, and flowing a bring afe protestions are probability is thus be certain of receiving attention. There has been legislation by Congress whom the subject of the adulteration of medicines and this subject would seem to be afort leath Equal importance, veryrespectfully. Audian Contling How & G. Haven.
